

Remington Products Company is pleased to announce that it has once again been selected as one of Northeast Ohio's Top Workplaces!

The Top Workplaces are determined based solely on employee feedback. The employee survey is conducted by WorkplaceDynamics, LLC, a leading research firm on organizational health and employee engagement.

Remington Products Company is the leading US manufacturer of aftermarket insoles. It was established in 1932, supplying footwear and foot care products to shoe manufacturers and aftermarket insole companies. Today, Remington Products' components are used in a number of products and markets, including orthotics supplied by Podiatrists, retail-ready insoles and cushions, footbeds in US-made shoes and military boots, and helmet and glove padding among others.

Remington Products is an Employee Stock Owned Company, or ESOP. Each employee is a part-owner and everyone is incentivized to contribute to a better working environment. Employees work diligently but in a casual, fun atmosphere. The company takes pride in remaining a US manufacturer and has made significant capital investments to stay competitive in a worldwide market. To support US manufacturing, Remington Products partners with US vendors whenever possible. The company understands the important value of maintaining jobs and middle-class wages in our local community.

Remington Products offers a well-designed benefits package including annual allocations of company stock, a Quarterly Discretionary Bonus Program based on the company's profitability and a workout facility and Wellness program to help facilitate healthier lifestyles. The employees get together often to support the local community through American Cancer Society and Salvation Army events and programs. Employees also enjoy frequent informal gatherings including cookouts around all major holidays, a summer family picnic and a year-end holiday party.
